is an automobile brand owned
by Nissan. Datsun's original
production run began in
1931. From 1958 to 1986,
only vehicles exported by
Nissan were identified as
Datsun. By 1986, Nissan had
phased out the Datsun name,
but re-launched it in June
2013 as the brand for low-
cost vehicles manufactured
for emerging markets.
