"I would like to write a beautiful prayer," writes the young Flannery O'Connor in this deeply spiritual journal, recently discovered among her papers in Georgia. "There is a whole sensible world around me that I should be able to turn to Your praise." Written between 1946 and 1947 while O'Connor was a student far from home at the University of Iowa, A Prayer Journal is a rare portal into the interior life of the great writer. Not only does it map O'Connor's singular relationship with the divine, but it shows how entwined her literary desire was with her yearning for God. "I must write down that I am to be an artist. Not in the sense of aesthetic frippery but in the sense of aesthetic craftsmanship; otherwise I will feel my loneliness continually. . . . I do not want to be lonely all my life but people only make us lonelier by reminding us of God. Dear God please help me to be an artist, please let it lead to You." O'Connor could not be more plain about her literary ambition: "Please help me dear God to be a good writer and to get something else accepted," she writes. Yet she struggles with any trace of self-regard: "Don't let me ever think, dear God, that I was anything but the instrument for Your story." As W. A. Sessions, who knew O'Connor, writes in his introduction, it was no coincidence that she began writing the stories that would become her first novel, Wise Blood, during the years when she wrote these singularly imaginative Christian meditations. Including a facsimile of the entire journal in O'Connor's own hand, A Prayer Journal is the record of a brilliant young woman's coming-of-age, a cry from the heart for love, grace, and art.

During the 1950s and early 1960s Flannery O'Connor wrote more than a hundred book reviews for two Catholic diocesan newspapers in Georgia. This full collection of these reviews nearly doubles the number that have appeared in print elsewhere and represents a significant body of primary materials from the O'Connor canon. We find in the reviews the same personality so vividly apparent in her fiction and her lectures--the unique voice of the artist that is one clear sign of genius. Her spare precision, her humor, her extraordinary ability to permit readers to see deeply into complex and obscure truths--all are present in these reviews and letters.

As this collection of interviews shows, Flannery O'Connor's fiction, though bound to a particular time and place, embodies and reveals universal ideas. O'Connor's curiosity about human nature and its various manifestations compelled her to explore mysterious places in the mind and heart. Despite her short life and prolonged illness, O'Connor was interviewed in a variety of times and locations. The circumstances of the interviews did not seem to matter much to O'Connor; her approach and demeanor remained consistent. Her self-knowledge was always apparent, in her confidence in herself, in her enterprise as a writer, and in her beliefs. She could penetrate the surfaces; she could see things in depth. Her perceptions were wide-ranging and insightful. Her interviews, given sparingly but with careful reflection and precision, make a unique contribution to an understanding of her fiction and to the evolving narrative of her short but influential life. Dr. Rosemary M. Magee is Vice President and Secretary of the University at Emory University.

"Many of my ardent admirers would be roundly shocked and disturbed if they realized that everything I believe is thoroughly moral, thoroughly Catholic, and that it is these beliefs that give my work its chief characteristics." --Flannery O'Connor Flannery O'Connor's work has been described as "profane, blasphemous, and outrageous." Her stories are peopled by a sordid caravan of murderers and thieves, prostitutes and bigots whose lives are punctuated by horror and sudden violence. But perhaps the most shocking thing about Flannery O'Connor's fiction is the fact that it is shaped by a thoroughly Christian vision. If the world she depicts is dark and terrifying, it is also the place where grace makes itself known. Her world--our world--is the stage whereon the divine comedy plays out; the freakishness and violence in O'Connor's stories, so often mistaken for a kind of misanthropy or even nihilism, turn out to be a call to mercy. In this biography, Jonathan Rogers gets at the heart of O'Connor's work. He follows the roots of her fervent Catholicism and traces the outlines of a life marked by illness and suffering, but ultimately defined by an irrepressible joy and even hilarity. In her stories, and in her life story, Flannery O'Connor extends a hand in the dark, warning and reassuring us of the terrible speed of mercy.

Contains letters written by Flannery O'Connor.

For those looking to deepen their appreciation of Flannery O'Connor, Wood shows how this literary icon's stories, novels, and essays impinge on America's cultural and ecclesial condition.

A literary treasure of over 100 unpublished letters from National Book Award-winning author Flannery O'Connor and her circle of extraordinary friends which explores such themes as creativity, faith, suffering, and writing.

Flannery O'Connor has been studied and lauded under many labels: the Southern author whose pen captured the soul of a proud region struggling to emerge out of racism and poverty, the female writer whose independent spirit and tragically short life inspired a generation of women, the Catholic artist whose fiction evokes themes of sin and damnation, mercy and redemption. Now, and for the first time, The Abbess of Andalusia affords us an in-depth look at Flannery O'Connor the believer. In these pages you will come to know Flannery O'Connor not only as a writer and an icon, but as a theologian and apologist; as a spiritual director and a student of prayer; as a suffering soul who learned obedience and merited grace through infirmity; and truly, as the Abbess of her own small, but significant, spiritual house. For decades Flannery O'Connor the author has touched her readers with the brilliance of her books. Now be edified and inspired by the example of her life.

The good news of Jesus Christ is a subversive gospel, and following Jesus is a subversive act. Exploring the theological aesthetic of American author Flannery O'Connor, Michael Bruner argues that her fiction reveals what discipleship to Jesus Christ entails by subverting the traditional understandings of beauty, truth, and goodness.
