Inspiration, Harmony, Abundance all with Balanced Thought...are these your goals for a better life? Is it right or is it wrong? Is it good or is it damaging? Why do we have to ask ourselves these questions all the time? We have double standards. We believe that

Where To Download After Forever Ends Kindle

evil is real. We believe that something can harm us. The truth is, however, that we are perfect beings of light, indestructible and pure. We have only fallen into the mist of misunderstanding and are acting according to our fears...

The Beginning after the EndA beautiful Story of real Love and Devotion What can the fear of losing the ones we love push us to do? In Chrissie's case, it has pushed her to distance herself from Allan, the man she loves more than anything else in the world. She knows he will not marry her, that

they don't have a future together. But why does "out of sight" not mean "out of mind"? The wall that Chrissie has built around herself becomes a prison. As she fights for survival in the cold world she has created, she gets an unexpected letter from Allan. This letter changes her life forever. "Hafsa Idrees tells an extraordinary story that will make you think about life, death, love and faith like nothing before. The Beginning after the End is a book with a big big heart and a deep deep soul. You don't enter its world - it enters yours." Roy

Eynhallow, Melodie Ramone

EynhallowBooks.com The Beginning after the End is the debut novel by Hafsa Idrees. A young writer of contemporary literary fiction, she explores the woman's inner world and shows a path of transformation from selfish to selfless love. What readers say... Pat McDonald: ...This book was probably one of the most thought provoking books I have read in a long time. It is the first written by the young Author Hafsa Idrees, and reveals a level of maturity that is exceptional for her age. It is a love story, yet describes a pure love

Where To Download After Forever Ends Kindle

between friends that is

quite enchanting....

jjspina: ...A moving and emotional story of love, loss and heartache. The characters are filled with angst and emotionally charged. This reader felt their pain and heartache. This was a different type of a love story in that the main character had to learn how to live on her own and not be too dependent on others... Mr. C. A. Meade ...Hafsa Idrees shows a real understanding of the secrets of the human heart and this comes out beautifully throughout this excellent book. I have no hesitation in recommending it to all

readers of good literature

or in giving it five stars... Enjoy this short excerpt from the novel

“Allan,” I whispered. “You are the man of your words.”

A brief moment of silence and I spoke again. “I would come here every day to check up on you. Don't make me miss you much, okay? It's terrible!” I was talking to the bulging mud like a four-year-old kid. “You don't have to come here every day. I live right in your heart,” my heart told me. “Do you?”

“Yes.” “I will miss your face, Eal!” I closed my eyes and I could see him smiling. “This way,” my heart spoke again, “whenever you feel

alone or miss me, just look at the spaces between your fingers. Remember that in these spaces, you can always see my fingers locked with yours forever." "Eal! You are making me cry," I whispered, smiling through my tears. "No! You are strong. I have faith in this. Don't disappoint me," said the quiet voice. I placed both my hands on my heart and closed my eyes. With a sore tear I said: "No, I won't. I won't, ever!" I opened my eyes and got up, waved and whispered: I love you. Miss me!" I turned and started walking towards the road. My heart was very heavy. I was

sniffing again and again,

trying not to let the tears seep through the eyelids.

“You were my bestest buddy, a close friend, my baby. I just want you to know that behind you there will always be me.” I was nodding and a voice from my heart was quietly telling me: “You offered me something which I couldn't ever buy - your precious pure love!” My heart skipped a beat and I kept walking... After thirty-five years of peaceful marriage, Bobbi and Wilber Weston have come to a

crossroads. They each want something different, and neither is willing to give in to the other. Bobbi loves her children and grandbabies more than she'd ever imagined, and she doesn't think asking for a change in the plans she'd made with Wilber many years ago should be a difficult thing. Wilber has been waiting his entire life to get the monkey off his back so he can travel, but now his wife has other plans for their future. He doesn't understand why they can't continue with their goals as they were doing before the children married and procreated. Will the two of them be able to make a

compromise that will please them both? Or will their marriage end up being just another ugly statistic?

Fallen gods. Cloned queens. Psychokinetic squirrels. Atomic werewolves. Hippie zombies. Jell-O monsters. Butter monsters. Booger monsters. An army of philosophers bent on world domination. A cybernetically-enhanced donut maker. The horned-up ghosts of elderly lady serial killers. The frozen head of Walt Sidney. Earthquakes. Fire tornados. A global volcanic winter. A supermassive extradimensional black hole. Dr. Vanilla Ice II. And

that's literally not even the half of it. Five books. Seventeen stories. More f-bombs than Microsoft Word can count. Ten years of EXPONENTIAL APOCALYPSE are collected into a single volume, an omnibus that, like a stoner's rug, ties everything together, from the first doomsday to the very last. THE END OF EVERYTHING FOREVER is a fifty-year epic of extinction events, the genre-spanning saga of a planet in perpetual peril, a world that can't seem to stop itself from ending - and all the nihilists and nutcases, the anti-heroes and con artists and mad scientists

and slackers, that keep trying to save it. Even if it is only because there's nothing on TV that day. With a foreword by Danger Slater. "If The Avengers was written by Terry Pratchett and directed by Kevin Smith, you might end up in the same dimension as the Exponential Apocalypse series." - Kat Clay, Radiant Attack

Happily Ever After isn't a destination. It's a journey. Finish the journey with the final three books in the emotional, ugly-cry, laugh-out-loud, smoldering series that has been read by over 100,000 fans. "The Forever series has really touched

makes my toes curl, well, you know how. But a long time ago, when we were young, something really bad happened to us. Bad enough to break us up. I thought marriage would make things right. And it's been happy. But something's missing. The one thing we always wanted, but lost. And my best friend just got it. JENNY I know everybody envies my life, even with the baby. I'm a little wild. But my life isn't as easy as it looks. With my husband about to hit big with his first album, and every two-bit floozy in the music industry hanging on him, I really need my best friends. I can't get

through this without them.

TINA I know the stories tell you that happily ever after is what comes when he pops the question and you say yes. But life is really messy. And sometimes your horse-drawn pumpkin takes off at full gallop for a cliff. That's where I am. And that's why I had to leave. Because before I can get to the big finish, I have something else I have to do. A bit of business I should have taken care of long ago, but I was only a teenager then. I can only hope that by the time I get it done, I haven't lost everyone I care about. Because when you've spent

your whole life running, you forget that what really matters is your family. BOOK 6: FOREVER CHRISTMAS "An emotional and satisfying story." ~ Xtreme Delusions Book Blog They tell mothers like me, a woman whose baby has died, that a new pregnancy will bring a rainbow baby. You know, the beauty after the storm. What they don't say is how hard it's going to be. How scary. How emotional. That at the lowest point, I will completely give up hope. I do have a saving grace. Several, in fact. Gavin, my hot, sex-on-the-kitchen-counter, loves-me-on-my-bad-days husband. He's been with

me since the beginning. And I have Jenny and Tina, girlfriends I met along the way. They're the good ones. The ones who bring you Kleenex and vodka. But I also have you. Tens of thousands of you who read my story and have cheered me on, waiting for me and Gavin to have a healthy baby. It helps me, knowing you're out there, waiting, hoping. Some of you have lost babies yourselves. You know what I'm about to endure. So it's time for the happiest happy ending of all. What better time than at Christmas? (Don't forget your tissues. And maybe the vodka too.)

HAPPY...Life will never be the same. #HESSA It's never been all rainbows and sunshine for Tessa and Hardin, but each new challenge they've faced has only made their passionate bond stronger and stronger. But when a revelation about the past shakes Hardin's impenetrable façade to the core—and then Tessa suffers a tragedy—will they stick together again, or be torn apart? As the shocking truth about each of their families emerges, it's clear the two lovers are not so different from each other. Tessa is no longer the sweet, simple, good girl she was when she

met Hardin—any more than he is the cruel, moody boy she fell so hard for. Tessa understands all the troubling emotions brewing beneath Hardin's exterior, and she knows she's the only one who can calm him when he erupts. He needs her. But the more layers of his past come to light, the darker he grows, and the harder he pushes Tessa—and everyone else in his life—away. Tessa's not sure if she really can save him—not without sacrificing herself. She refuses to go down without a fight. But who is she fighting for—Hardin or herself?

An argument for retaining the notion of personal property in the products we “buy” in the digital marketplace. If you buy a book at the bookstore, you own it. You can take it home, scribble in the margins, put in on the shelf, lend it to a friend, sell it at a garage sale. But is the same thing true for the ebooks or other digital goods you buy? Retailers and copyright holders argue that you don't own those purchases, you merely license them. That means your ebook vendor can delete the book from your device without warning or explanation—as Amazon

Where To Download After Forever Ends Kindle

deleted Orwell's 1984 from the Kindles of surprised readers several years ago. These readers thought they owned their copies of 1984. Until, it turned out, they didn't. In *The End of Ownership*, Aaron Perzanowski and Jason Schultz explore how notions of ownership have shifted in the digital marketplace, and make an argument for the benefits of personal property. Of course, ebooks, cloud storage, streaming, and other digital goods offer users convenience and flexibility. But, Perzanowski and Schultz warn, consumers should be aware of the tradeoffs

Where To Download After Forever Ends Kindle

involving user constraints, permanence, and privacy. The rights of private property are clear, but few people manage to read their end user agreements. Perzanowski and Schultz argue that introducing aspects of private property and ownership into the digital marketplace would offer both legal and economic benefits. But, most important, it would affirm our sense of self-direction and autonomy. If we own our purchases, we are free to make whatever lawful use of them we please. Technology need not constrain our freedom; it can also empower us.
