Modern Surveillance,
Why You Should Care

Modern surveillance is mass surveillance. Mass surveillance that targets foreigners also sweeps up Americans—it's not intentional, that's just how mass surveillance works.

Modern surveillance lacks public oversight, depends on secret law,

Where To Download

and is incompatible with
a free society.

American Spies:
Modern Surveillance,
Why You Should Care

And What To Do
About It
I think people believe
surveillance is
something that happens
to others, that the
technology of
surveillance today is
such that instead of

Where To Download

somebody trying to spy on people because they 're suspected of being in a drug cartel or because they 're foreign terrorists, there 's this broad, opportunistic, suspicionless collection that happens, which means that lots of random, innocent people 's information ends up in government
