In the realm of literary fiction, *An Artist of the Floating World* shows deep similarities—in its themes, structure, and even characters—to his later novel, *The Remains of the Day*, which centers on the reflections of a British butler living in the years after World War II and attempting to come to terms with his employment by Nazi collaborators. Ishiguro's work also shares its thematic concern with memory and guilt with works by his contemporary, Ian McEwan.

Ishiguro in Japan, Ishiguro's novel bears down upon a Japanese painter, Ono, now middle-aged, who has totally renounced his art, who decided (some years before) to make no more. Thereafter, he lives a semi-tranquil life with his family—a wife, grown daughters, even a grandson—and seems to have made peace with his renunciation (although occasionally his ego ...

AN ARTIST OF THE FLOATING WORLD | Kirkus Reviews

Kazuo Ishiguro's second novel, *An Artist of the Floating World* (1986), is narrated retrospectively, from the post-war vantage of 1948-50, by the painter, Masuji Ono. Ono's ambition caused him first to leave the commercial and auto-exoticizing "art for export" firm of Takeda for the art-for-art's-sake milieu of Moriyama, which focuses on the ephemerally sensual "floating world" of the traditional

An Artist of the Floating World Quotes by Kazuo Ishiguro

Ono's generation was that of the old men cheerleading for war. And there can be no question about his complicity. In his youth, he trained as an artist of the demimonde or "floating world," but turned to graphic propaganda during the war. His work was responsible for motivating untold thousands of young Japanese men to throw their lives away.
