Language This is an ideal textbook on sociolinguistics." Phoebe Lin, Hong Kong Polytechnic University, Hong Kong "An Introduction to Sociolinguistics has been among the most approachable and yet insightful of all the textbooks on this subject since its first edition in 1992. It is engaging while never shying away from theory - a considerable achievement.

I miss this book so much and I lost it! damn. I read it when I was in the 3rd or 4th semester in my undergraduate year (I can't remember). This book is a very good introduction to sociolinguistics. It discusses code switching, language change, language differences according to the gender of its speaker, and so on and so forth.
