Antiques & Art Around  
Florida - The Highwaymen. by  
Jim Fitch. As seen in  
Antiques & Art Around  
Florida, Winter/Spring 1995.  
"The Highwaymen" is a name  
I've given to a group of  
black artists working on the  
East coast of Florida from  
approximately 1955 to the  
present. So called because  
their marketing and sales  
strategy consisted of  
traveling the highways and  
byways of central Florida  
peddling their paintings out  
of the back of their cars.

THE HIGHWAYMEN - Revisited.  
by Jim Fitch. As seen in  
Antiques & Art Around  
Florida, Winter/Spring 1997.  
Since I first reported on  
the group of black artists I  
labeled the Highwaymen in  
the "Collecting Florida"  
issue of Antiques and Art  
Around Florida  
(Winter/Spring 1995),  
interest in their work has  
spread beyond belief. There  
is even a newly formed  
Highwaymen Collectors  
Society in West Palm Beach.

This was the beginning of the first black folk art movement in Florida in the 1900's. The Highwaymen School begins. Harold Newton and Alfred Hair were the two leaders of this group of twenty-five men and one woman, mostly from Fort Pierce, Florida. These beautiful paintings depicting river, ocean and marsh scenes are full of
