Like humans, cities are mortal. They are born, they thrive, and they eventually die. In Atlas of Lost Cities, Aude de Tocqueville tells the compelling narrative of the rise and fall of such notable places as Pompeii, Teotihuacán, and Angkor. She also details the less well known places, including Centralia, an abandoned Pennsylvania town consumed by unquenchable underground fire; Nova Citas de Kilamba in Angola, where housing, schools, and stores were built for 500,000 people who never came; and Epequen, a tourist town in Argentina that was swallowed up by water. Beautiful, original artwork shows the location of the lost cities and depicts how they looked when they thrived.

From Alexandria to York, this unique illustrated guide allows us to see the great centres of classical civilization afresh. The key feature of Cities of the Classical World is 120 specially drawn maps tracing each city's thoroughfares and defences, monuments and places of worship. Every map is to the same scale, allowing readers for the first time to appreciate visually the relative sizes of Babylon and Paris, London and Constantinople. There is also a clear, incisive commentary on each city's development, strategic importance, rulers and ordinary inhabitants. This compelling and elegant atlas opens a new window on to the ancient world, and will transform the way we see it.

This curious collection of maps explores the unique personalities of 28 cities around the world, shedding light on the strange and marvelous ways in which humans interact with the places they call home. Artist and creative cartographer Adam Dent dissects Manhattan in an anatomical diagram, traces the form of a Picasso nude in the streets of Monaco, and transforms the crisscrossing paths of boats on the Bosphorus into the nerves of Istanbul. Dent draws on the history, culture, and geography of each city and on the beguiling aesthetic of antique maps to create gorgeous works of cartographic art. Witty, insightful, and adorned with a gold foil-stamped cover, this book will capture the imaginations of travelers, map enthusiasts, history buffs, and dreamers.
