4. The Greenland Vikings - Land of the Midnight SunDiscovering The Unknown Landscape A

Discovering the Unknown Landscape is an intriguing synthesis of social and environmental history, and a valuable examination of how cultural attitudes shape the physical world that surrounds us. It provides important context to current debates, and clearly illustrates the stark contrast between centuries of beliefs and policies and recent attempts to turn those longstanding beliefs and policies around.

~~Discovering the Unknown Landscape - Island Press~~

Discovering the Unknown Landscape: A History Of America's Wetlands. The rapidly disappearing wetlands that once spread so abundantly across the American continent serve an essential and irreplaceable ecological function. Yet for centuries, Americans have viewed them with disdain.

~~Discovering the Unknown Landscape: A History Of America's ...~~

In Discovering the Unknown Landscape, author Ann Vileisis presents a fascinating look at that history, chronicling how Americans have thought about and used wetlands from Colonial times through the present day, exploring many factors—ideology, economics, law, perception, art—that influence how we regard and use our contemporary landscape. Beyond recounting the march of destruction, she considers our seemingly contradictory tradition of appreciating wetlands: artistic and literary ...

~~Discovering the Unknown Landscape - ANN VILEISIS~~

In Discovering the Unknown Landscape, Ann Vileisis details 373 years of draining and filling the mucky places that support one-third of our threatened and endangered species, and that sponge up...
