Dont Even Think About It

Don't even think about it (happening). Do not think about something like that happening, as the mere thought of it is so bad. (Compare this with Don't even think about (doing) it.) Mary: Oh, those cars almost crashed!

who turn into freaks because of one flu shot they can hear everyones thoughts and everyones secrets. Will they tell someone? I recomend this book to ages 13 up and people who like intriguing book.

## Don't Even Think About It by Sarah Mlynowski

Don't Even Think About It is a sprightly-written cornucopia of insight into the pitfalls and potential of communicating about climate change. Not as pessimistic as the title and subtitle might suggest, Marshall argues that we are both wired to ignore a problem like climate change (distant, abstract, without clear villians) and that we are wired to respond — capable of putting aside short-term self-interest for quite heroic collective efforts in the face of a shared problem or threat.

Don't even think about it. I've read "Psycho-Cybernetics" by Maxwell Malt four times now. He was a plastic surgeon in the early part of the 20th century. The book is a look into Dr. Malt's theory that the self-image is the most important part of the personality and that the self-image can be changed.
