The Epson Stylus Colour

880 inkjet printer is a

rather attractive number

as it offers a pleasing

mixture of simplicity and

style. The Epson 800

itself comes in a very

fetching silver finish,

adding a touch of class to

a household item which

has a tendency to come

in grey.

horizontal banding? A:

Make sure the printable side of the paper is face up in the sheet feeder.

Run the nozzle check utility to see if a head cleaning is needed.
