Gender Recognition Act 2004

Gender Recognition Act. At present, the Gender Recognition Act of 2004 (found here) allows people to gain full recognition of their acquired gender. This legal recognition enables people to obtain a new birth certificate that shows their acquired gender enabling them to adopt almost all of the legal rights which are afforded to that sex, including equal marriage rights.

Transgender Law | GenderTrust.org.uk

Transgender rights in the United Kingdom have been gaining ground since the 1990s, with the granting of rights and protection to the transgender community. Various laws within the United Kingdom refer to identity documents, marriage rights, and anti-discrimination measures used by or pertaining to transgender people, in the areas of employment, education, housing and social services, amongst others. Transgender people were once able to have their identity documents informally amended to reflect

The Gender, Law, and Policy (GLP) Tool Kit helps analyze GLP issues in proposed ADB projects. It is particularly useful in designing program and sector development loans, where law and policy reforms play an especially prominent role. In line with ADB's Policy on Gender and Development, it is important for ADB staff and consultants to recognize the gender implications of their work on law and policy reforms.
