"There's no way the Tooth Fairy is real. It just doesn't make sense," states Ellie. So, she sets out to prove this to be the case, armed with a tiny tooth and a thirst for the truth. Convinced that the grown-ups are the ones replacing the teeth with money, she hides her tooth and tells nobody—except her best friend and her eavesdropping mommy. Later that night, Ellie is awoken with a start. There stands a fairy, and Ellie can't believe her eyes. They fly to fairy land, across toothpaste rivers and through hallways of framed teeth, even stopping by a Peppermint Tree and toothbrushes made of solid gold. When Ellie awakes, there is indeed a coin in her tooth's place, and a surprise at the door, but had it all been a dream? Or something more? Featuring a whimsical story and simple, colorful illustrations by author/illustrator Jules Miller, Ellie and the Truth about the Tooth Fairy encourages children to believe while also promoting good oral hygiene. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Do you ever wonder what children all over the world do with their lost teeth? Or what tooth fairies actually look like? In this delightful, educational book, tooth fairies reveal their secrets and share what happens to children's lost teeth around the world. The Truth about the Tooth is a story about the diversity, creativity, and imagination of different tooth fairy legends--one from which the entire family can take inspiration.

In a world full of changes and fear, Sonya Dunbar aims to bring hope and enlightenment to dental professionals and caregivers through humorous stories and relevant information. Dental professionals and caregivers are the heart of the Geriatric Dentistry industry; thus, they need to be properly educated about the most important topics within the field. That is why the Geriatric Toothfairy partnered with The Geriatric House Call Dentist, Dr. Alisa Kauffman, to write this cutting edge book. It contains everything, from geriatric terminology, long-term care, and house call etiquette, to the many facets of geriatric dentistry. You will learn the details that make up innovative healthcare models while gaining confidence in your craft by grasping essential information presented simply.

-Do you look in the mirror and see a smile that embarrasses you? -Have you had bad dental experiences in the past? -Do you have MISSING teeth, FAILING teeth or ill-fitting dentures that just don't work? -Are you tired of social embarrassment, not getting noticed by that special someone or looking older than you are? -Do you seriously desire to GEM COMFORTABLY and knock ten years off your appearance? (Hint: Many of our patients claim that most people rave about how they look like they've "lost weight, gotten a haircut, and look ten years younger" as a bonus from their new smile) -Do you secretly desire to have a bright, white, healthy smile, preserve your existing teeth and live a longer, healthier, happier life? -Are your current dental problems most likely due to putting off dental care because of fear, anxiety, or a busy schedule? -Are you sick and tired of ill-fitting dentures, missing, or worn-out teeth? If you've answered "YES" to any one of these questions, then this book may just be the most important and emotionally life changing book you've ever read. GET THE NAKED TOOTH: The Truth and Benefits of a Healthy and Beautiful Smile. Learn How Dental Implants Can Help You Live Longer, Smile With Confidence and Eat the Foods You Want. Get The Smile that Lights Up a Room!

When Gaby asks his father if he is the tooth fairy, his father tells him about magic in the world.

All over America, kids are losing their teeth. And who is there to gather them up, leaving coins in their places? The Tooth Fairy, of course! A self-described "action kind of gal" with plenty of attitude, she reveals her secrets at last. Learn about her amazing Tooth-o-Finder. Marvel at her ingenious flying machine. Watch her in action, dodging dogs and cats and gerbils. You Think It's Easy Being the Tooth Fairy? is the essential guide for every kid about to lose a tooth.

Tooth Poop was written by a general dentist to teach kids, in kid terms, why they should care for their teeth. This is a true story! The main character, young Danny, is forced to confront the distasteful truth about how we all get cavities. Told with light-hearted wit and brutal honesty, Tooth Poop will have every kid laughing out loud and then racing to the bathroom to brush and floss!!! Do you want to motivate your kids to brush and floss their teeth?

Two young tooth fairies make their first lost-tooth collection in Bob Graham's warm, whimsical tale. A Junior Library Guild Selection. April Underhill, seven-year-old tooth fairy, gets a call on her cell phone. This is it! Her first tooth collection. April and her little sister, Esme, must convince Mom and Dad to let them take on the task all by themselves. But soon, two tiny fairies fly off into the night, over a highway of thundering eighteen-wheelers, eager to prove how grown up they can be. As always, the charm is in the visual details: the pony-tailed, winged dad in baggy jeans; the snug fairy house with teeth dangling from the rafters like wind chimes. Once again, Bob Graham has crafted a tale of heartwarming adventure, magical yet very real.
