The Cambridge Handbook of Social Problems. The introduction of the Affordable Care Act in the United States, the increasing use of prescription drugs, and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty-first-century social problems. The Cambridge Handbook of Social Problems offers a wide-ranging roster of the social problems currently pressing for attention and amelioration.

Handbook of Social Problems: A Comparative International

Gangs are a social problem because of the violence they cause in communities and because of the long-term deleterious effects that membership has on individuals who belong to gangs. There are no consensus definitions for gangs, gang members, and gang crimes, though the strengths and challenges of popular definitions are discussed in this chapter. Gangs develop from core structural problems and individuals join gangs as a result of a variety of socioecological factors.
