Weapon effectiveness and the shapes of damage functions ...

Historically in the U.S. military, Weaponneering has been the purview of the Joint Technical Coordinating Group for Munitions Effectiveness - the JTCG/ME, whose charter is to be the sole U.S. DoD Agency for the standardization of methodologies and data allowing conventional weapon system performance to be evaluated and compared.

Weaponneering homepage

With the safety of Joint Munitions Command employees our greatest concern, we want to remind you of how to stay updated when weather conditions are severe and driving to work may be unsafe. While we have rarely found it necessary to close JMC completely, we have done so when road conditions are too hazardous for travel. If you are unsure about whether to report to work, we will post the ...

Joint Targeting School Student Guide - Joint Chiefs of Staff

Dr. Mark Gallagher and Dr. Michael Horta describe the Cyber Joint Munitions Effectiveness Manual (JMEM) and the need for mission planners to project and understand the effects of cyber warfare.

Cyber Warfare is no Computer Game

Over the last 40 years, weapon/target interaction data from weapon tests have been compiled by the military into a volume of data called the Joint Munitions Effectiveness Manuals, or JMEM. The JMEM has used this compiled data to formulate estimates of weapon effectiveness for given weapons and targets.
