Also included are two 20-question practice exams that include an answer key and scoring guidelines to gauge a student's ability level on the exam. Answers for all questions are provided to check the student's work and understanding.

Describes the experiences of a newcomer to the Yukon when he attempts to hike through the snow to reach a mining claim.

An engineering professor who started out doing poorly in mathematical and technical subjects in school offers tools, tips and techniques to learning the creative and analytical thought processes that will lead to achievement in math and science. Original.

Written in the style of a memoir, My Antonia chronicles Jim Burden’s friendship with the daughter of a Czech immigrant family. Recently orphaned, he moves west to Nebraska to live with his grandparents. Riding the same train is the Shimerda family, who are also on their way to settle in the area. The Shimerdas have a difficult life as pioneers: living in a sod house, working the fields, and running out of food in the winter. Jim soon becomes smitten with Antonia, the eldest daughter, as they grow up and explore the landscape around them together. Through his eyes, we see both how she shapes the land around her and is shaped by the rigors of poverty. Similarly to Jim, Willa Cather spent her early years in Nebraska but most of her adult life in Eastern cities. She pays homage to her homeland with her Prairie Trilogy of novels: O Pioneers!, The Song of the Lark, and My Antonia. They are tinged with her characteristic straightforward language, reverence for nature, and nostalgia, even as she acknowledges the hardships of the past. Published in 1918 to great enthusiasm, My Antonia is considered one of Cather’s finest works and a defining point in her identity as a writer. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Haunted by the death of her teenaged son, Claire O’Neal finds solace in a letter from Mason McKinnon, an accomplished violinist who received her son's heart, but years later, when she finds him playing piano in a dive bar, Claire vows to save him.
