Shows how to use subtraction to find out how many dollars one has left after paying for various items and looks at different denominations of dollar bills, from one to one hundred.

The concept of »worldmaking« is based on the idea that

Where To Download

'the world' is not given, but rather produced through language, actions, ideas and perception.

This collection of essays takes a closer look at various hybrid and disparate worlds related to dance and choreography.

Coming from a broad range of different backgrounds and

Where To Download

disciplines, the authors inquire into the ways of producing 'dance worlds': through artistic practice, discourse and media, choreographic form and dance material. The essays in this volume critically reflect the predominant topoi of dance as something

fleeting and
ephemeral - an
embodiment of the
Other in modernity.
Moreover, they
demonstrate that
there is more than
just one universal
»world of dance«, but
rather a multitude of
interrelated dance
worlds with more
emerging every day.
