Integration has been suggested as a better term and policy. Critics suggest it is a reversion to assimilation. However integration has not been rigorously defined and may simply be another form of multiculturalism, which the authors believe to have been vital in sustaining social harmony. eISBN: 978-1-921862-15-1.

Assimilation and multiculturalism were essentially opposite concepts. Integration and multiculturalism were much more compatible. The movement from one to the other in public policy was both smooth and bipartisan. It was politically viable because two Prime Ministers, Whitlam and Fraser, were both committed to it.

Plurilingualism enables us to consider diversity, dynamism and hybridity [3]. Linguistic indicators of integration and multiculturalism and also of assimilation and segregation are: changes in the structure of the community language as a result of living in Australia and the use of the English language; shift from the use of the first language to that of English in general or in specific domains and institutions within a plurilingualism;
