Takuan Sōho's (1573–1645) two works on Zen and swordsmanship are among the most straightforward and lively presentations of Zen ever written and have enjoyed great popularity in both premodern and

unification under the Tokugawa shoguns. Takuan was arguably the most famous Zen priest of his time, and as a pivotal figure, bridging the Zen of the late medieval and early modern periods, his story (presented in the book's biographical section)

offers a rare picture of Japanese
Zen in transition. For modern
