Reflexive Methodology established
itself as a groundbreaking success,
providing researchers with an
invaluable guide to a central problem
in research methodology – how to put
field research and interpretations in
perspective, paying attention to the
interpretive, political, and rhetorical
nature of empirical research. Now
thoroughly updated, the Second
Edition includes a new chapter on ...

Third Edition Reflexive Methodology

10 Applications of reflexive methodology: criteria and strategies
focuses on how reflexive methodology can facilitate qualitative research and now includes new section which suggests two specific reflexive research strategies: [problematization] and finding/creating and solving empirical mysteries, as alternatives to the more traditional [gap-spotting] in research.
