The answer is: Because the assignation of red-as-Republican, blue-as-Democrat didn't become the standard until the last election of the third century in which America existed: the election of 2000.

*Red vs. Blue: A history of how we use political colors ...*

The colors red and blue also feature on the United States flag. Traditional political mapmakers, at least throughout the 20th century, had used blue to represent the modern-day Republicans, as well as the earlier Federalist Party.

The meanings of the colors are interpreted in many different ways. For example, red stands for the blood of the 1.5 million Armenians killed in the Armenian Genocide, blue is for the Armenian pure sky, and orange represents the country's courage. The official definition of the colors, as stated in the Constitution of the Republic of Armenia, is:
