Where To Download Sacred Objects In Secular Spaces Exhibiting Asian Religions

recognized that many objects in museums were originally on display in temples, shrines, or monasteries, and were religiously significant to the communities that created and used them. How, though, are such objects to be understood, described, exhibited, and handled now that they are in museums? Are they still sacred objects, or formerly sacred objects that are now art objects, or are they simultaneously objects of religious and artistic ...

Sacred Objects in Secular Spaces: Exhibiting Asian ...

All things that are not holy are called secular. This means that things not specifically meant to be used in church or in connection with God are secular things. Governments all over the world try to be as secular as possible and, this means that they do not favor any single religion and treat all religions on an equal basis.
