Presents a guide to the features of the Samsung Galaxy Tab 3, covering such topics as the Android operating system, using Google Play, sending email and multimedia messages, installing and maintaining apps, and connecting to the cloud.

Essentials of Consumer Behavior offers an alternative to traditional textbooks for graduate students. Shorter than competing books, but no less rigorous, it includes unique material on vulnerable consumers and ethics. Balancing a strong academic foundation with a practical approach, Stephens emphasizes that consumer behavior does not simply equate to buyer behavior. She examines the thoughts, feelings, and behaviors that shape consumers' attitudes and motivations in relation to brands, products, and marketing messages. Providing a concise guide to the discipline, the author covers key themes such as vulnerable consumers, new technologies, and collaborative consumption. The book is supported by a rich companion website offering links to videos and podcasts, surveys, quizzes, further readings, and more. It will be a valuable text for any graduate student of consumer behavior or marketing, as well as any interested consumers.

Food Corporation of India (FCI) is one of the largest Public Sector Undertakings ensuring the food security of the Nation and deals with the Supply Chain management of the food grain. It was established on 14th January 1965. FCI is a Central government body, currently provides multiple services to farmers and consumers and has approx 30,000 employees throughout India. The Food Corporation of India is one of the largest Public sector bodies responsible for the food security of the nation.
