Male feminization for fun and growth? Why not? It's a question that critical thinkers ask about many subjects. Everyday there's someone who sees something and instead of saying no they ask, why not? What if the Wright brothers agreed with everyone that man can't fly? What if Henry Ford believed like everyone else that there could be no mass production? What if Galileo gave up on the idea that the world is round and not flat like the Church wanted him to? If something can be beneficial for you or others, but the accepted societal view says it's wrong, does that really make it wrong? Male-to-female crossdressing is one of those things. Sometimes viewed as an unmanly due to societal paradigms and beliefs and called a deviant behavior, it's carried a stigma with it. Does that mean it shouldn't be done? Women are allowed to cross-dress; it has become commonplace for women to wear men's styles of clothing, yet men are forced to stay in men's clothes. Dresses, skirts, stockings and all the feminine accoutrements have fallen to the wayside for most women today, and it's perfectly acceptable for them to wear flannel shirts with jeans, or sweatpants with sneakers or flat shoes. Why not? Why shouldn't a male be offered the same flexibility? Until the time comes when open-mindedness is more prevalent, and paradigms and beliefs are changed, it's still possible to do in secret or with likeminded people and groups, and the benefits are just as great. To balance the individual's masculine and feminine energies and activate the rise on Maslow's hierarchy of needs is not a trivial thing, and that is just one of many benefits it brings. If you, a person close to you, a spouse or partner, or a friend of yours is involved in male-to-female crossdressing, has an interest in it, or is bored and wants to try something new and exciting, then drop the veil of illusions by creating a new feminine illusion and thrive. Read on and see what benefits can follow in this thoughtful short read that just might improve your or someone else's life-or at least help you understand it better. Look inside now.

Volume 1 - Diaper Punished by Mom's Friend (Books 1-4) After Dillon is caught doing drugs in his bedroom, his Mom decides to drop him off at her friend Carol's house for the Summer to keep watch over him. Unfortunately for Dillon, Carol is very strict. Dillon finds this out for himself when he discovers that Carol keeps her adult son, Patrick, in diapers and treats him like a baby! It's not long until Dillon starts to feel like he's being treated like an adult baby himself. When Dillon is sent to bed early with a full bladder, Carol's strict rules about leaving the bedroom after bedtime result in a very wet accident. That's when Carol decides to return Dillon to diapers. And everything only gets worse for Dillon from there...
Volume 2 - Diapered at Boarding School (Books 5-8) On the first day of school back from Summer, Sarah is expecting it to start like every other year. But to Sarah's surprise, her parents drop her off at a special boarding school that is far more strict than anything she could have expected. When her teacher doesn't allow her to leave to use the bathroom, instead calling her up for a spanking, Sarah discovers new meaning to the words 'classroom discipline.' After losing control in front of the whole class during her spanking, Sarah is forced to pay the price. Marched through the school hallway with soap in her mouth, Sarah is then personally diapered by the headmistress -- And it's even more humiliating than she thought it would be when the headmistress reveals a special, humiliating surprise... Sarah is then sent back to class. Unfortunately for Sarah, she then has another accident that's much messier than the one before...
Volume 3 - Regressing Timmy (Books 9-12) After Timmy comes home drunk one night, Debra decides it's the last straw. She misses the Timmy that loved her and appreciated her. The Timmy that still wore diapers. Debra decides to take matters into her own hands, and hatches a plan to get her Timmy back by any means necessary. When Timmy wakes up after a night time accident, she enforces a policy of night-diapers in the house. And shortly later -- real diapers. When Timmy decides he's had enough with Debra treating him like a baby, he acts out. But unfortunately for Timmy, Debra has all the tools she needs to ensure his total diaper transformation.
Volume 4 - Sandy & The Diaper Asylum (Books 13-16) It's the end of Summer, and Sandy is hoping to be on her way to Summer Camp. But instead, she's dropped off at a very special institution... When she tries to escape, the head nurse makes short work of her bottom with a heavy spanking. Then, as punishment for her misbehavior, they lock Sandy in a straightjacket and deny her a bathroom. Soon, Sandy has no choice but to lose control... And for that she'll pay a very hefty price.
