Originally published between 1973 and 1993 the 14 books in this set discuss a number of themes such as: policy, practice and evaluation in schools; dealing with disruptive behaviour; issues regarding the teaching of arts and sciences; ethnographic studies of life in primary and secondary schools and critical events in teaching and learning.

In a sequence of observations of six children aged 5-11 in six different state schools this book offers a slice of classroom life, a microcosm of the educational scene. Since the book was first written there have been many changes in the curriculum, structure, governance and funding of British primary schools, as well as in the language used to describe these changes. But *Observing Children in the Primary Classroom* remains as valid now as earlier, as a lively and entertaining indicator of children's daily school experience. We see the reception class of an infants' school through the eyes of Mike, a lively five-year-old traveller boy. Six-year-old Rashda, a girl of Asian heritage, grapples with English as a Second Language at her multi-ethnic city school. Slow-learner David finds school life rather overpowering, despite receiving expert extra help. Lucy, eight, is a star in everything she does at her
