Returning to Ogunquit, Maine, for an extended visit, successful businesswoman Maggie Weldon reunites with her best friend growing up, native Mainer Delphine Crandall, and together they reflect on their choices and compromises, the girls they were and the women they've become.

A mother and daughter escape to coastal Maine to find healing in the wake of heartbreaking loss in a poignant novel by the author of *All Our Summers*. The journey to Yorktide, Maine, was always a happy one for Frieda and Aaron Braithwaite and their two daughters. Frieda loves her mother's old farmhouse, and the girls have grown closer there, sharing a bedroom and spinning stories into the night. But that was before—when tragedy was something that happened to other families. Since the car crash that claimed the lives of her husband and their younger daughter, Frieda has struggled emotionally and financially. Bella, now seventeen, is withdrawn and wary, and Frieda fears losing her too. At her mother's urging, Frieda decides to return to Yorktide with Bella for the summer. Bella gets a job in a local shop, and little by little edges her way back into the world. But it's the unexpected connections they make—with a former schoolmate, a troubled teenage girl, and Frieda's estranged father—that will spur them to find healing amid bittersweet memories, and discover if their bond is strong enough to guide them back to hope once more. Praise for the writing of Holly Chamberlin "Chamberlin's latest is a great summer read but with substance. It will find a wide audience in its exploration of sisterhood, family, and loss." —Library Journal on *Summer With My Sisters* "Nostalgia over real-life friendships lost and regained pulls readers into the story." —USA Today on *Summer Friends*

The bestselling author of *The Beach Quilt* sets a tale of friendship, family, and newfound love against the beautiful backdrop of coastal Maine. Every June, the quiet beach town of Ogunquit is overtaken by wealthy families who hire local young women like Amy Latimer and Hayley Franklin to care for their children. Best friends since childhood, Amy and Hayley are eager to secure lucrative summer jobs to finance their future hopes and dreams . . . Amy is immediately in thrall to her dynamic boss, Cressida Prior, so different from Amy's mother, Leda. Though skilled at creating tapestries and rugs, Leda lacks confidence. But one thing she does know, after a painful summer long ago as a nanny herself, is how damaging a manipulative boss can be. Hayley's employers, Jon and Marisa Whitby, are loving parents to their two-year-old twins. Jon also has a grown son by a previous marriage. Ethan is kind, handsome, and not least, wealthy. For the first time, Hayley, usually so selfless, can't help seeing him as an opportunity. But the passing weeks bring complications and revelations, altering friendships, testing the bond between mothers and daughters, and proving that the ripples from a single season can last forever . . . Praise for the novels of Holly Chamberlin "There is sure to be much clamor for this latest beach read. Recommend it to fans of Claire Cook and Elin Hilderbrand."—Booklist on *Home for the Summer* "Chamberlin's latest is a great summer read but with substance. It will find a wide audience in its exploration of sisterhood, family, and loss."—Library Journal on *Summer with My Sisters*

Against the picturesque coastal Maine setting that she evokes so well, bestselling author Holly Chamberlin creates a heartfelt story of family bonds and new beginnings . . . It came as no surprise to

anyone in Yorktide when glamorous Carol Ascher fled the little Maine town for New York City. While Carol found success as an interior designer, her younger sister, Bonnie, stayed behind, embracing marriage and motherhood. She even agreed to take in Carol's teenage daughter during a tumultuous patch. Now both their girls are grown and Bonnie, recently widowed, is anticipating the day she'll retire to Ferndean House, the nineteenth-century family home on the rocky Maine coast. But forty-five years after leaving Yorktide, Carol suddenly announces that she's moving back—into Ferndean. Bonnie is indignant. She's the one who kept the homestead in order and tended to their dying mother. Now Carol expects to simply buy her out? As far as Bonnie is concerned, Ferndean is part of their heritage—not just another of Carol's improvement projects, to be torn apart and remade according to her whim. The entire Ascher family is in flux, uncovering secrets that upend their relationships. Carol's longing to be welcomed home is fueled by a painful truth she's carried for years. It will take an extraordinary summer—in a remarkable place—to lead these women back to each other, buoyed by the tides of friendship and forgiveness.

A summer wedding, a college reunion, a gorgeous Maine beach house—it's the ideal setting for bestselling author Holly Chamberlin's captivating novel about the connections that shape us, sometimes break our hearts, and forever change our lives . . . Bess Culpepper has long been sure of two things—that her group of college friends would stay close, and that love is worth the wait. At forty-two, she's found the right man, and she's celebrating her upcoming wedding by inviting her best friends to beautiful Kennebunkport. Bess has always been at the helm of these reunions, herding everyone together despite distance and outside commitments. As usual, Marta and Mike journey from their home near New York City, while Chuck and his husband, Dean, travel from Los Angeles. But Allison, half of a devoted couple since college, is making the trip from Chicago without her husband, Chris. None of the others knows the reason for their impending divorce. There are other tensions too. The usually level-headed Marta is conspicuously on edge, and Chuck reveals devastating personal news. As reality encroaches on her dreams of the perfect gathering, Bess begins to second guess her assumptions about friendship and fidelity. If relationships like these, nurtured over decades, can flounder, how can any couple stay committed? Is it possible to truly know the ones we love—or even to predict where one's own path will lead?

A woman discovers that nothing can disrupt a perfect wedding like an unplanned pregnancy in this novel by the author of *Living Single*. And to think pink was once my favorite color . . . Then the two pink lines appeared. Pink, as in positive . . . as in pregnant . . . as in pure, unadulterated panic. This wasn't supposed to happen: I'm scheduled to marry the handsome, successful, and very appropriate Ross Davis in six months. Unfortunately, while Ross may not rock my world with kitchen-table sex, his technique worked well enough to put a bun in my thirtysomething oven . . . Don't get me wrong, babies are great—in theory. But I enjoyed my life the way it was. Loved my job, my rooftop apartment, my friends; was having fun planning my wedding and gazing at my pretty three-carat diamond. I didn't need anything more . . . did I? Well, whatever I needed, here's what I currently have: A nasty case of morning sickness, a future mother-in-law obsessed with "Ross's Baby," and a custom-designed wedding dress I'll soon be too fat to wear. Now, as I burst the seams on my pencil skirts, I'm trying to take some small comfort in the fact that one is never too bloated for a really cute purse. But impending motherhood also has me reassessing more than my wardrobe—and wondering how fast I can finish growing up . . .

Set against the backdrop of the beautiful Maine coast, Holly Chamberlin's novels are a summer staple. Now she weaves a heartfelt story of past and present summers and new beginnings, as a mother and daughter reconnect after decades apart... There are moments that change your entire life's direction. For Arden Bell, owner of a cherished bookstore in the seaside hamlet of Eliot's Corner, one such moment comes early on a summer day when she opens the door to Laura Huntington--the daughter she hasn't seen in thirty-seven years. Not a day has passed in which Arden hasn't thought of the baby she glimpsed only once before her wealthy, powerful parents forced her to give her up for adoption. Shy and sheltered, Arden finally mustered the courage to leave her Maine hometown of Port George, changed her name, and has barely seen her parents since. Nor has she heard from Rob, the boy she was so passionately in love with. Now Laura's arrival, and her inevitable questions, will propel both women on a journey to forge a new relationship and unravel the past. Amid revelations and discoveries--sometimes painful, often unexpected--they will learn the truth about a long-ago summer, and about the risks we take and sacrifices we make for love.

Summer in Maine means breezy, sun-kissed beach days, golden evenings, and, in bestselling author Holly Chamberlin's irresistible novels, a time for self-discovery and surprising connections . . . Sometimes you sense something, deep inside, long before it's proven true. Thirty-year-old Petra Quirk has always felt as if a vital element of her life is missing. It's not until she moves back to the small town of Eliot's Corner for the summer that she learns why. Rummaging in the attic, Petra comes across a diary. The discovery prompts her mother, Elizabeth, to make a confession to her three daughters. Decades ago, she fell in love with her husband's best friend, Chris—and Petra is Chris's child . . . Elizabeth ended the affair before she learned she was pregnant, and Chris has no idea he's a father. Hugh, who Petra believed to be her dad, was a good-natured but self-centered, blustering man. He and Chris seemed to have little in common, though their friendship was genuine. Elizabeth loved Chris deeply yet refused to tear her family apart. Even since Hugh's death, she's resisted contacting Chris. But Petra, floundering and unsure of her path, is compelled to search out her biological father, though she knows it will complicate her relationship with her family. Over the course of two summers, decades apart, romance will be kindled and rekindled, life-altering decisions made, and secrets of the heart will come to light at last. Praise for the novels of Holly Chamberlin "A great summer read but with substance. It will find a wide audience in its exploration of sisterhood, family, and loss." —Library Journal on *Summer with My*

Sisters "Nostalgia over real-life friendships lost and regained pulls readers into the story." -USA Today on Summer Friends

A mother struggles to reconnect with her long-lost daughter in a picturesque Maine beach town in this novel by the author of *Barefoot in the Sand*. Every year on March 26, Verity Peterson visits Ogunquit Beach, where she puts a handwritten message into a bottle and launches it into the waves. It's a ritual of remembrance for the daughter she hasn't seen in sixteen years—not since her baby's father, Alan, took two-month-old Gemma and disappeared. Verity keeps searching and hoping, sustained by the thought that someday she might get to be a mother to her own child. And finally, one phone call may change everything . . . Verity learns that Alan is now in jail on abduction charges—and Marni Armstrong, born Gemma Peterson-Burns, is coming to live with Verity in Yorktide, Maine. But this isn't the joyful reunion Verity imagined. Gemma has been raised to believe Verity was an unfit mother who left Alan no choice but to take her out of harm's way. Over the course of one summer, Verity tries to reach a tough, wary young woman who's more stranger than daughter. And Gemma must reexamine everything she thought about her parents—and decide whether to trust in a relationship that, though delicate as a seashell on the surface, could prove to be just as beautiful and resilient.

For a mother and her almost-grown daughters, Christmas in coastal Maine difficult choices, new surprises and a chance at love in this heartfelt novel. At first glance, Nell King's cozy home in Yorktide, Maine, seems a step down from the impeccable house she shared with her husband in Boston. But in the six years since he abruptly left to marry another woman, Nell and her daughters have found real happiness here. Now, faced with what may be their last Christmas together, Nell feels anxious. She gave up her own ambitions when she married. What will become of her once her daughters leave the nest? Twenty-one-year-old Molly worries about sacrificing her independence the way her mother did. Should she stay in Maine with her dependable boyfriend, or move to the city and prove herself? Felicity, meanwhile, is torn between loyalty to Nell and wanting to spend time with her glamorous stepmother. Nell is eager to make this holiday picture-perfect. But there's a complication—and an opportunity. Nell's first love, now a successful novelist, is in town for a book signing. As the two rekindle their friendship, Nell confronts the choices she once made in the name of stability. And as the days unfold with revelations and unexpected gifts, this Christmas promises to herald a bright new beginning . . .
