Time And Again Summary - test.enableps.com

I recently read Stephen King's time travel novel 11/22/63 and couldn't put it down. My all-time favorite book. My friend recommended Time and Again, given my love of 11/22/63. Time and Again was fascinating and, even though not exactly historically accurate, really gave the sense of what it was like to live in the 80's (1880's that is!).
