Vocabulearn French Complete by Penton Overseas Inc.

Vocabulearn is an excellent tool to build your vocabulary in listening to a foreign language. It is a random listing of words. Some groups of words are pronounced in the target language, and then the English version is given. The process is then reversed with the English words given first, and then the target language words are given next.

Vocabulearn-French/English Level 1. I have a lot of French instruction material and this is one of my favorites. I use this in my car while waiting for my children to get out of school and have memorized words by heart. I kept checking it out over and over again from the library and realized that I need to own it.
