Not any old February, March, and April, though. Walmart uses a 4-5-4 calendar, which means that February has four weeks, March has five, and April has four. This 4-5-4 pattern is repeated for each quarter of the year. These little quirks mean that the Walmart calendar will rarely match the calendar on your wall at home, but it also means that each quarter contains three months and 13 weeks: a 4 week month, a 5 week month, and another 4 week month.
