Willie's Time | eSupreme.si.edu

The Golden Age of Baseball, or Baseball's Golden Era, is the period from about 1920 to 1960. The golden era is the time period immediately following the dead-ball era but prior to what is now called the modern era. There is no exact timeframe in any of these eras. MLB considers the post World War II era to be the beginning of the modern age, which places the golden era between the end of World War I and the end of World War II. Much of baseball's golden age was captured in black and white film,

Willie's Time by Einstein, Charles -- Biblio.com

Einstein weaves many aspects of life in the 50's and 60's into this paen to the greatest baseball player of all time (in my mind), Willie Mays. He writes of the truly marvelous talents of Mays, but he also includes societal habits and ways, presidents of the era, the eclipse of the old and and the advent the new, of the things we take for granted, not the least of which are television and jet travel.

Willie's Time: Baseball's Golden Age (Writing Baseball) --

To a generation of fans, Willie Mays was the greatest ballplayer they had ever seen. The prowess and speed of the Say Hey Kid were unmatched on the diamond before his time, prompting Joe DiMaggio to label him, " the closest you can come to perfection." He was the first player to hit fifty home runs and steal twenty bases in a single season. Mays played for the New York Giants (1951| 1957), San Francisco Giants (1958| 1972), and New York Mets (1972| 1973), and in his glory days with the Giants he not only set the major league mark for consecutive seasons by appearing in 150 games or more but by winning his two MVP awards a record twelve seasons apart. When Mays retired, he ranked third in career home runs (behind Aaron and Ruth), a record of 660 soon to be surpassed by Mays's godson, Barry Bonds. This twenty-fifth anniversary edition of the only ballplayer biography ever named a finalist for the Pulitzer Prize, Willie's Time: Baseball's Golden Age, restores to print Charles Einstein's vivid biography of one of the game's foremost legends. With a new preface from the author, this volume replays the most dramatic moments of the Say Hey Kid's career from the 1951 Miracle Giants to the Amazing Mets of 1973 and takes us inside the lives of Ruth, DiMaggio, Aaron, Durocher, and others along the way. Einstein offers a compelling and complete look at Mays: as a youth in racist Birmingham, a triumphant symbol of African American success, a sports hero lionized by fans, and yet all the while, still a very human figure destined to play for two decades amid baseball's Golden Age.

Original publication and copyright date: 2013.

To a generation of fans, Willie Mays was the greatest ballplayer they had ever seen. The prowess and speed of the Say Hey Kid were unmatched on the diamond before his time, prompting Joe DiMaggio to label him, " the closest you can come to perfection." He was the first player to hit fifty home runs and steal twenty bases in a single season. Mays played for the New York Giants (1951| 1957), San Francisco Giants (1958| 1972), and New York Mets (1972| 1973), and in his glory days with the Giants he not only set the major league mark for consecutive seasons by appearing in 150 games or more but by winning his two MVP awards a record twelve seasons apart. When Mays retired, he ranked third in career home runs (behind Aaron and Ruth), a record of 660 soon to be surpassed by Mays's godson, Barry Bonds. This twenty-fifth anniversary edition of the only ballplayer biography ever named a finalist for the Pulitzer Prize, Willie's Time: Baseball's Golden Age, restores to print Charles Einstein's vivid biography of one of the game's foremost legends. With a new preface from the author, this volume replays the most dramatic moments of the Say Hey Kid's career from the 1951 Miracle Giants to the Amazing Mets of 1973 and takes us inside the lives of Ruth, DiMaggio, Aaron, Durocher, and others along the way. Einstein offers a compelling and complete look at Mays: as a youth in racist Birmingham, a triumphant symbol of African American success, a sports hero lionized by fans, and yet all the while, still a very human figure destined to play for two decades amid baseball's Golden Age.

The "enormously entertaining and wide-ranging" (Seattle Times) authorized, definitive, New York Times bestselling biography of Willie Mays, the most complete baseball player of all time. Willie Mays is arguably the greatest player in baseball history, still revered for the passion he brought to the game. He began as a teenager in the Negro Leagues, became a cult hero in New York, and was the headliner in Major League Baseball's bold expansion to California. He was a blend of power, speed, and stylistic bravado that enraptured fans for more than two decades. Now James Hirsch reveals the man behind the player. Mays was a transcendent figure who received standing ovations in enemy stadiums and who, during the turbulent civil rights era, urged understanding and reconciliation. More than his records, his legacy is defined by the pure joy that he brought to fans and the loving memories that have been passed to future generations so they might know the magic and beauty of the game. With meticulous research and drawing on interviews with Mays himself as well as with close friends, family, and teammates, Hirsch presents a brilliant portrait of one of America's most significant cultural icons.

The Birmingham Black Barons were a nationally known team in baseball's Negro leagues from 1920 through 1962. Among its storied players were Hall of Famers Satchel Paige, Willie Mays, and Mule Suttles. The Black Barons played in the final Negro Leagues World Series in 1948 and were a major drawing card when barnstorming throughout the United States and parts of Canada. This book chronicles the team's history and presents the only comprehensive roster of the hundreds of men who wore the Black Barons uniform.

Chronicles the life and baseball career of center fielder Willie Mays.

"Engaging and lively history of baseball in the 1960s"--

The life and career of one of baseball's greatest hitters.

"This immensely entertaining book fills a void in the story of American baseball. Plott has delved through hundreds of newspaper accounts and [i]n what must have been a herculean effort, [he] has provided appendices listing the yearly rosters of the teams, lists of pennant winners, even no-hit games, compiling in one volume statistics that might have been lost to history if not for his research."--Alabama Writers' Forum
The Negro Southern League was a baseball minor league that operated off and on from 1920 to 1951. It served as a valuable feeder system to the Negro National League and the Negro American League. A number of NNL and NAL stars got their start in the NSL, among them five Hall of Famers including Satchel Paige and Willie Mays. During its history, more than 80 teams were members of the league, representing 40 cities in a dozen states. In the end only four teams remained, operating more as semipro than professional teams. This book is a narrative history of the league from its inception with eight teams in major Southern cities until its demise three decades later.

In 1957 Horace Stoneham took his Giants of New York baseball team and headed west, starting a gold rush with bats and balls rather than pans and mines. But San Francisco already had a team, the Seals of the Pacific Coast League, and West Coast fans had to learn to embrace the newcomers. Starting with the franchise's earliest days and following the team up to recent World Series glory, Home Team chronicles the story of the Giants and their often tosy-turvy relationship with the city of San Francisco. Robert F. Garratt shines light on those who worked behind the scenes in the story of West Coast baseball: the politicians, businessmen, and owners who were instrumental in the club's history. Home Team presents Stoneham, often left in the shadow of Dodgers owner Walter O'Malley, as a true baseball pioneer in his willingness to sign black and Latino players and his recruitment of the first Japanese player in the Major Leagues, making the Giants one of the most integrated teams in baseball in the early 1960s. Garratt also records the turbulent times, poor results, declining attendance, two near-moves away from California, and the role of post-Stoneham owners Bob Lurie and Peter Magowan in the Giants' eventual reemergence as a baseball powerhouse. Garratt's superb history of this great ball club makes the Giants' story one of the most compelling of all Major League franchises.
