Suite Française is

both a brilliant
novel of wartime
and an
extraordinary
historical
document. An
unmatched
evocation of the
exodus from Paris
after the German
invasion of 1940,
and of life under
the Nazi
occupation, it was

Download Free Work Brings

written by the esteemed French novelist Irène Némirovsky as events unfolded around her. This haunting masterpiece has been hailed by European critics as a War and Peace for the Second World War. Though she conceived the

Download Free Work Brings

book as a five-part work (based on the form of

Beethoven's Fifth Symphony), Irène Némirovsky was able to write only the first two parts, Storm in June and Dolce, before she was arrested in July 1942. She died in Auschwitz the following month.

The manuscript was saved by her young daughter Denise; it was only decades later that Denise learned that what she had imagined was her mother's journal was in fact an invaluable work of art. Storm in June takes place in the tumult of the

Download Free Work Brings

evacuation from Paris in 1940, just before the arrival of the invading German army. It moves vividly between different levels of society—from the wealthy Péricand family, whose servants pack up their possessions for them, to a

group of orphans
from the 16th
arrondissement
escaping in a
military truck.

Némirovsky's
immense canvas
includes deserting
soldiers and
terrified
secretaries, cynical
bank directors and
hapless priests,
egotistical writers

and hardscrabble
prostitutes—all
thrown together in
a chaotic attempt
to escape the
capital. Moving
between them
chapter by chapter,
this thrilling novel
describes a journey
hampered and in
some cases
abandoned
because of

Download Free Work Brings

confusion, shelling,
rumour, lack of
supplies, bad luck
and ordinary
human weakness.
Cars break down or
are stolen;
relatives are
forgotten; friends
are divided; but
there are also
moments of love
and charity.

Throughout,

Download Free Work Brings

whether depicting
saintly forbearance
or the basest
selfishness, Storm
in June neither
sweetens nor
demonizes its
characters;
unsentimentally,
with stunning
perceptiveness,
Némirovsky shows
the complexities
that mean no-one

Download Free Work Brings

is simply a hero or villain. The second volume, *Dolce*, is set in the German-occupied village of Bussy. Again, Némirovsky switches seamlessly between social strata, from tenant farmers to the local aristocracy. The focus, however, is

Download Free Work Brings

on the delicate,
secret love affair
between a German
soldier and the
French woman in
whose house he
has been billeted;
the passion, doubts
and deceits of their
burgeoning
relationship echo
the complex
mixture of hostility
and acceptance

felt by the
occupied
community as a
whole. Némirovsky
is amazingly
sensitive in her
depiction of
changing, often
contradictory
emotions, but her
attention to the
personal is
matched by her
sharp-eyed

discussion of small-town life and the politics of occupation. In this myth-dissolving book, the French villagers see the Germans as oppressive warriors, but also as handsome young men, and occupation does nothing to remedy

Download Free Work Brings

the condescension
and envy that
bedevil relations
between rich and
poor. Quite apart
from the
astonishing story of
its survival, Suite
Française is a novel
of genius and
lasting artistic
value. Subtle, often
fiercely ironic, and
deeply

compassionate, it is both a piercing record of its time and a humane, profoundly moving novel.
