Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a

bridge courses who are writing a research paper for the first time. This book is partly an update of *Writing a Research Paper* (by Lionel Menasche, 1998) and partly a companion to *The ESL Writer's Handbook*. Like *WRP*, teachers can move through the writing process in stages to end up with a thorough and coherent research paper. Like a handbook, the text is less dense, with explanations provided in sections for easy comprehension and practice exercises included.

That important paper is due soon and you don't know where to start. You're out of ideas and out of time. Don't panic-- writing great research papers is not as daunting a task as you think. It's just a process—and with *The Everything Guide to Writing Research Papers*, you can master that process in no time.
